

Surf's Up

🌀 *Big fish in a small pond* 🌀

The corner of Park Street and 5th Avenue comes to life with this laser cut stainless steel sculpture featuring a jubilant koi.

Babette Bloch “begins each project with exquisitely refined black-on-white drawings. Once the stainless steel is laser-cut Bloch shapes, welds, and textures the surface of the metal by grinding, sandblasting, or painting her sculptures.”

Artist—Babette Bloch Description—Painted stainless steel
Location—Park Street and 5th Avenue South, Naples, FL Map Locator # 32
